Waterfront Access

28th Street Boat Launch improvements celebration

Join us for a ribbon cutting celebration at the new and improved 28th Street Landing & Boat Launch on Tuesday, May 21st at 3:30pm.

Improvements to the popular waterfront access facility at the foot of 28th Street in Hoquiam included a widened boat launch ramp, a second boarding float, a permanent restroom, improved lighting and a paved and striped parking lot.

"The Port is proud to provide this first class waterfront facility for our recreational fishermen, picnickers and river watchers," shared Port Commission President Stan Pinnick.

The project was partially funded by a Boating Facilities Program grant through the Washington State Recreation Conservation Office.

International Trade

FCA, Pasha and Port celebrate 500,000th vehicle shipped through Terminal 4

Representatives from Fiat Chrysler Automobiles, The Pasha Group, ILWU Local 24, Puget Sound & Pacific Railroad, Siem Car Carriers and the Port gathered earlier this month to celebrate the 500,000 FCA arrival at the Port of Grays Harbor.

In April, the Port of Grays Harbor Commissioners and staff joined representatives from Fiat Chrysler Automobiles (FCA), The Pasha Group, Siem Car Carriers, Puget Sound & Pacific Railroad and ILWU Local 24 for a celebration of the 500,000th FCA arrival at Terminal 4

Drawn by the Port of Grays Harbor's rail-served, deep-water terminals and its strategic location as the closest U.S. mainland port to the Pacific Rim, Pasha Automotive Services began its port processing operations at Grays Harbor in 2009, shortly before landing the Chrysler contract in early 2010.

The celebration recognized the

500,000th vehicle processed for FCA by Pasha Automotive Services (PAS), loaded onto the Siem Socrates, a Siem Car Carriers vessel, by Pasha Stevedoring & Terminals (PST) and ILWU Local 24.

"The Port of Grays Harbor is proud to take part in yet another great milestone with our partners here today," stated Port Commission President Stan Pinnick. "We look forward to celebrating future milestones here at Terminal 4 as we continue to generate more opportunities, jobs and prosperity for our partners and our community."

24th Annual Shorebird and Nature Festival held May 3-5th

Pictured above is the 2019 Best of Show from the grade school shorebird poster contest entitled "lone bird on an early flight" by Ezri Carroll, Grade 6, St. Mary School.

Grab the family and head to Hoquiam for the 24th Annual Shorebird and Nature Festival to witness thousands of shorebirds resting and feeding in Grays Harbor as part of their migration north.

The Grays Harbor National Wildlife Refuge, adjacent to and accessible from the Port of Grays Harbor's Bowerman

Airport, is a prime viewing location to see these spectacular migrating birds.

Events kick off on Friday with field trips, lectures, keynote speakers, and the events annual dinner on Saturday evening.

For more information and a complete festival schedule visit shorebirdfestival.com

Calendar

April 30	<i>Yaquina</i> (Corps Dredge) @ T4

Drainage project to close Bowerman Airport July 8 - September 4

A critical drainage project at the Port of Grays Harbor's Bowerman Airport will prompt a full closure of the runway, main taxiway, fuel island and apron from July 8, 2019 through September 4, 2019, per the Federal Aviation Administration (FAA).

"We apologize in advance for any inconvenience the closure may cause to our aviation community, both locally and beyond," stated Business and Trade Development Assistant Shannon Anderson. "We appreciate everyone's patience and understanding during construction and we are confident the drainage project improvements will be a benefit for Bowerman Airport users for decades to come."

Bowerman Airport
FULL CLOSURE
July 8 - September 4, 2019

- Close Runway per FAA Requirement
- Install 21 WSDOT Type 1 Catch Basins and 3070 LF 12" HDPE Type 5 Drain Pipe utilizing existing outfalls
- Repair grade between runway and taxiway
- Repair Segmented Circle
- Electrical Improvements - new runway lighting
